About Us

Company Background

Arthur Anderson Industrial Co. Ltd. was formed in June 1995 under the trade name Arthur Anderson Industrial. AAI was originally a sourcing office in Taiwan, supporting several U.S. wheel and accessory companies. Over the years, AAI has expanded the business from wheel products to the full manufacture of sub-assemblies for both interior and exterior products for the aftermarket automotive accessories industry. In 2005, AAI's growth continued with new ventures within the OEM market.

AAI's vast market experience in high quality products, with the support of an extensive supplier network, has helped to build a highly respected reputation for customer satisfaction within the industry.
